"I finally told my boyfriend that I wanted to fuck a girl. I assured him it would not affect our love life, but also, he couldn't join. After he got over it, I called Shae and we got together. Black Medicine

Two hours later, her feet hurting from the hard kitchen floor, she placed her knife on the table where she had been chopping lettuce for salad and took a short break.

The scenery outside the sleeted windows of her luxury sedan became increasingly bleak as Patricia Ewing neared the homeless shelter. Blighted skid row streets made her cringe inwardly. The beautiful philanthropist made a mental note to increase her annual donation to the shelter, as well as the local food banks which relied heavily on people like her to stay afloat.

Helping those less fortunate than herself was an excellent way to lessen the white guilt she often experienced as a card-carrying member of the ruling class.

Patricia visited the shelter once a year, invariably during the bitterly cold winter months when the demand for volunteer help was at its peak. Plummeting temperatures meant a massive influx of homeless individuals seeking shelter from dangerously frigid conditions.

Tonight, she knew from previous visits, the facility would be filled to capacity; it would take a coordinated team effort to feed the destitute masses.

Patricia's top-of-the-line car, a welcome invitation to all thieves, clashed with the ghetto environment. In the past she had hired a taxi to take her to the shelter. Unfortunately the city's cabbies were currently on strike, leaving her no choice but to use her personal vehicle.

No sooner had she entered the shelter than its director, an aging hippie with a handlebar moustache, had her report to the kitchen for her assignment. Despite her social status, Patricia received no preferential treatment. Last thing she wanted was to alienate the other volunteers, to say nothing of the homeless multitudes she would help feed. For this reason, she had dressed simply in a wool crewneck sweater, corduroy slacks, and sneakers.

Patrica saw many familiar faces in the kitchen. A lot of the same folks came back every winter. She was welcomed into the fold, issued a white apron, and promptly put to work.

Two hours later, her feet hurting from the hard kitchen floor, she placed her knife on the table where she had been chopping lettuce for salad and took a short break.

Patricia wasn't accustomed to standing for long periods of time. She worked out regularly at an exclusive health spa, attended a weekly yoga class, and even cycled around the park near her townhouse, but these activities weren't the same as doing good old-fashioned work.

Every year Patricia told herself that she was going to better prepare for her winter visit to the shelter by doing more domestic chores at home, or even getting a part-time job, but she never followed through with this. Her maid handled most of the chores. As for the part-time job . . . well, she just couldn't summon the motivation, not with a fat bank account like hers.

It was a bitterly cold night. Still, she needed a cigarette something awful. Disgusting habit, Patricia thought, one she had started as a freshman at Radcliffe and never been able to break. Not totally, anyway. Digging in her purse for a coffin nail, she pushed open the service entrance and stepped into the alley.

Cold air punched her in the face; this as a tall black man grunted and blew his load all over the pavement . . .

Patricia gaped dumbly, not so much from interrupting the man while he had jerked off as from the immense size of his cock. Without question, his was the biggest dick she had ever seen. And she had seen her share. Far from humiliated, the guy made no attempt to hide his junk. He seemed to welcome the intrusion, as if nutting for a complete stranger had intensified his pleasure.

I'm so sorry," Patricia apologized. She started to go back inside when the guy said, "I'm not . . ."

For a brief moment Patricia thought he was a volunteer. She hadn't seen him in the kitchen, but that didn't mean a thing. He could have been working in the dorm setting up cots. Seconds later, having gotten a look at his clothes, she realized this wasn't the case. His tattered, mismatched castoffs told her that he was a man without a permanent address, a man reduced to living on the unforgiving streets.

"See something you like?" he said matter-of-factly.

Having recovered from her initial shock, Patricia didn't bat an eye. "It's a little cold to be doing that outside, don't you think?"

"There's no privacy in there," the man explained. "Not even in the bathroom. On a cold night like this—Shit, lady, we're packed like sardines in a can . . ."

He was right, Patricia knew. The shelter was terribly overcrowded, especially on cold nights. Probably even worse than a prison, she reasoned.

"Hey," the man said, "you still haven't answered my question."

Patrica didn't flinch. The men in her social circle were nothing if not bold. Confident men accustomed to getting what they wanted, men who called the shots in the boardroom and bedroom. Still, none of those men could compare with this homeless bum, not where it mattered most . . .

"We'll talk after dinner." She fired up her cigarette. "And be sure to eat plenty. You're going to need your strength."

Dinner was served at six o'clock on the dot. She worked the serving line, heaping paper plates with plenty of ham and cornbread dressing and green bean casserole.

Her white guilt all but dissolved as the predominately black homeless population was fed. Job well done, she mentally patted herself on the back. The guy from the alley had taken her advice; he came back for a second helping, which Patrica served with a coy smile. She couldn't wait to get him alone.

Thankfully, he was a fast eater.

Patricia quit early, shirking her dishwashing duties and leaving with her new friend. She thought about going to a hotel but wound up taking him back to her place. On the way home he had told her his name was Calvin. "Calvin what?" she had asked. "Johnson," he had replied. She had gotten a kick out of that, chuckling at the aptness of his surname.

Calvin Johnson was impressed with her car, and even more impressed with her swanky townhouse.

"Nice place," he told her.

"I like it," Patricia said.

She offered him a drink. Calvin looked at her strangely.

"Something wrong?" she said.

"I'm on the wagon. And hoping to stay there."

Patrica dropped the subject. No doubt Calvin Johnson was like a lot of homeless people in that he had a history of alcoholism. His current sobriety excited her. No danger, she thought, of the dreaded whiskey dick ruining a good time.

"So," Patricia began, "where would you like to do the deed?"

Calvin opted for the bedroom, which was fine with her. They crossed the threshold and hastened out of their

clothes. For the second time that night Patricia gaped at the immensity of his manhood. She had had a few black cocks in her time, but none as big as Calvin's.

He sat on a tufted settee without her prompting. Patricia crawled toward him, crossing the gap between them with titillating slowness. Licking her lips hungrily, her wide eyes riveted to his erection, she felt her nipples stiffen, her pussy moisten. She moved between his parted knees and licked his shaft, gliding her tongue from balls to glans. She did this repeatedly, lubing him good and proper, before gobbling him in earnest. Her lips wrapped around his dick, she plunged her head up and down, gradually increasing the speed and urgency of her movements until neither of them could resist any longer.

Patricia rose from the floor. Calvin scooted over as she joined him on the settee. She lay there, knees hiked, legs spread, fingering her gaping cooze.

"Look how wet I am . . ."

Calvin climbed on top of her. Holding the base of his cock with one hand, he poked and prodded her crevice. Patricia moaned in anticipation, groaned and panted as he teased her.

"Do it! Stick it in! Fuck my rich white cunt!"

"Here it comes," Calvin said. "Nine inches just for you!"

She hollered when he entered her. His cock felt even bigger than it looked, never more so than when he thrust deeply. Once. Twice. Three times. Preliminary salvos in preparation for the forthcoming fuck, which proved to be the most intense sexual experience of Patricia's life. Calvin humped and pumped, rammed and reamed, his ass rising and falling between her toned thighs as he screwed her with everything he had.

And Calvin Johnson had a lot. Fueled by the hearty meal he had eaten at the shelter, he tapped into a seemingly endless reservoir of carnal energy.

Things continued in this fashion until he withdrew and resumed his sitting position. Waving his dick, he didn't have to say a word. Patricia knew exactly what he wanted. And she wanted it, too. She turned around and straddled him. One hand spreading her pussy lips, the other grasping Calvin's cock, she lowered her trim hips until she was fully impaled on his BBC.

Her mouth an oversized O, she thrilled to her partner's touch when he reached around with both hands and squeezed her tits. Patrica's were natural tits. No implants for her. No way. She didn't need them. Calvin caressed and kneaded her soft C-cups, making her already stiff nipples even stiffer as she rocked her hips in proper reverse cowgirl fashion.

Balling a random black guy, especially a homeless one like Calvin, did wonders for the insidious white guilt which had plagued her for most of her adult life. She blamed those damned liberal professors at Radcliffe for making her hate herself.

Well, fuck them!

She was a rich white woman and proud of it! At least when helping the black man. And what better way to help him, she reasoned, than by bouncing on his cock until it spurted a bucketload of jolly juice!

No time like the present, she thought, pogoing her pussy with extra oomph. Calvin squeezed her tits with tremendous pressure, making her yelp as his tool throbbed inside her. Even after she had climbed out of the saddle, Patrica's cunt oozed cum.

After they got dressed Patrica gave him a ride back to the shelter. "Take care of yourself, Calvin Johnson," she told him as he was getting out of the car.

"You do the same." He shut the passenger door and hurried into the warmth of the dingy building.

By the time Patricia got home she was already starting to feel guilty again. But she wasn't overly concerned. The black rodeo was in town. Plenty of colored cowboys, she knew from experience, to choose from.

She couldn't wait to dust off her boots!

WRAPPED & TAPPED

They were strictly temp workers, Campbell and Isabel, seasonal employees tasked with giftwrapping.

I was glad to have them. Hell, we all were. They made everybody's job a lot easier. Working the sales floor and ringing up customers was hard enough without having to bother with wrapping the merchandise. And damn near everybody wanted their Xmas purchases wrapped as we offered the service free of charge.

Home for the holidays, Campbell and Isabel attended the same college. In fact, they were best friends and roommates. All this to say that they worked well together. Books are relatively easy to wrap, and they got the hang of it in no time. Still, there were periods when the store became really busy and they found themselves struggling to keep up.

Whenever this happened, I was tempted to lend them a hand. Unfortunately, us full-timers were forbidden to do so. The manager, a real dictatorial cunt, had told us to leave the giftwrapping to the temp workers.

This was a shame. Campbell and Isabel were most easy on the eyes. I wanted to work alongside them for obvious reasons. I had been a college student myself not too long ago. I could relate to their plight. Being back home for Xmas gets old fast. No doubt they were bored out of their skulls.

I wanted to take them out, show them a good time. I wanted to see them drunk and carefree . . .

Thankfully, I got my chance. Campbell and Isabel were taking a short ten-minute break in the staff room when I introduced myself. I was eight years their senior. Still, our conversation yielded a lot of common ground. We had taken the same college courses, read the same books, watched the same movies and TV shows. Long story short, by the end of our brief chat I had both their phone numbers and a tentative date for the following night.

The next day was long and tiresome. Campbell and Isabel worked their asses off, struggling mightily to keep up. I was worried that they would be too tired to meet up after work, but this wasn't the case. If anything, they seemed especially eager to let their hair down and blow off some steam.

We met at a trendy bar popular with the hipster crowd. I saw enough of these quasi-hippie types at the bookstore, so I drank more than usual to curb my annoyance. Cambell and Isabel matched me drink for drink. I was impressed. These college hotties could hold their liquor. No doubt they partied a lot at school. I would have loved to be a fly on the wall in their dorm room, observing them in their natural habitat.

I expected us to part at the end of the evening and go our separate ways. I certainly didn't expect Cambell and Isabel to come on to me so strongly, all but inviting themselves to my place for a nightcap . . .

No sooner had we entered my place than they confirmed my theory about their hard-partying ways. Boy, did they ever! Imagine my excitement when they started making out on my couch! Cambell and Isabel were friends, sure, friends with benefits. Having wrapped books all day, they were eager to do some unwrapping, which they did with much haste.

Moments later, their clothes piled on the floor, they treated me to one hell of a hot show. I had discarded my pants and was stroking my cock when Isabel went down on Campbell. Unlike her slender friend, Isabel had some meat on her bones. Hers was a big ass built for punishment, a plush caboose just begging to be banged.

And that's just what I did when Isabel took a brief respite from eating Campbell's cunt, regarded me over her shoulder, and told me to fuck her. I hopped on the sofa and maneuvered myself behind her. Her abundant ass was soft and creamy white. I made it shimmy and shake as I tapped her tight pussy none too gently.

Meanwhile, Isabel had resumed munching Campbell's cunt. My view couldn't have been better. Knees pressed to the sofa, I thrust my hips, delighting in Isabel's beautiful bum, the blonde hair fanning across her shoulders, the frenetic motion of her head as she licked and lapped between Campbell's spindly thighs.

DETERMINED TO MAKE ISABEL COME, I SLAPPED HER FLESHY ASS AND POUNDED HER POON WITH RENEWED VIGOR. I WAS JUSTLY REWARDED FOR MY EFFORTS WHEN SHE UNLEASHED AN OUTBURST THAT RIVALED THAT OF HER FRIEND'S.

I felt like I had died and gone to you know where. Cambell did too. This was abundantly clear when she cried out loudly; hers was the unmistakable outburst of a young lady having the climax of her life.

This prompted me to double my efforts. Determined to make Isabel come, I slapped her fleshy ass and pounded her poon with renewed vigor. I was justly rewarded for my efforts when she unleashed an outburst that rivaled that of her friend's. She was still shuddering when I pulled out, hopped off the sofa, and walked over to Campbell's reclined head.

"Suck it," I told her, proffering my glistening prick.

She took me in her mouth without the aid of her hands, wrapping her lips around my shaft and plunging her head to and fro. I exploded in her greedy maw, blasting the back of her throat with a generous load of man batter.

"That's a wrap!" Isabel said after she had recovered from her exertions.

We laughed our asses off.

"The best thing I can do today? Is to have sex. Lots and lots of pure unadulterated fucking. It's the best thing you can do on any day. But what makes today's best thing is big-dicked, DSnoop. He's a great fuck with an all-too-huge, and really hard cock. For me, it's a great size because I'm a size queen and it fits my mouth perfectly. My BFF once told me... 'Just remember, when you have a cock in your mouth or pussy, you got the guy by the balls.'"
